

Dear Member,

When it comes to your finances, it's important to combine security with convenience. That's why we safeguard your accounts by requiring a Password along with your Account Number when you call for information or transactions.

We don't currently have a Password on file for you, but that's easily remedied. Please use the form below to select a unique Password (up to six letters or numbers). Be sure it's one that you can easily remember, and share it with any joint owners on your account, as well.

This password is used only to identify yourself to MHV staff when contacting us by phone. It's not the same as your ATM PIN or Home Banking password, to which even our employees do not have access.

Please complete the form below and return it in the postage paid reply envelope or fax it to us at 845-336-4448. Thanks in advance for helping us protect the privacy of your accounts.

Cordially,

William L. Spearman, CCE
President/CEO
